MORE INFORMATION

Located in Reignac de Blaye on the right bank of the Gironde (Aquitaine region), Château Les Bertrands offers a classic range of Bordeaux wines. In 1692 François Dubois, planted his first vines on the hillsides in Reignac de Blaye. Nine generations later, the family is still present, working the land and making wine with the same enthusiasm and motivation. Over the years, successive investment in the vineyard and in the cellar has enabled the Dubois family to produce wines with pure expressions of their traditional Bordeaux grape varieties. Several different plots occupy plateaus and slopes ideally exposed to the sun at noon and sunset. There, the vines of Merlot and Cabernet for red, Sauvignon and Muscadelle for white are growing in gravelly, sandy and stony soils that are leaning on a clay and gravel subsoil. The wines carry the HVE3 designation - Certification High Environmental Value.

TASTING NOTES

A very fruity wine, fresh with flavors of grapefruit, lychee with fine citrus and exotic fruits. Enjoy it with seafood, grilled fish or as an aperitif.
