

Emendis Cabro! Brut Cava, Spain

VARIETALS Xarel-lo, Macabeo, Parellada

REGION Penedès

SOIL Clay

CLIMATE Mediterranean

ALCOHOL 11.5%

MORE INFORMATION

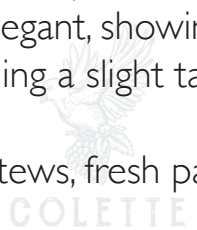

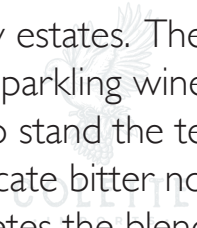

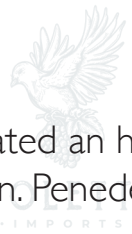

Penedès, the coastal Mediterranean wine region located an hour south of Barcelona, is in the Catalonia region of Spain. Penedès is well known for its Cava, the sparkling wine of Spain.

The Cabro! Cava is 100% from the Emendis family estates. The 3 varietals give the perfect blend for this refreshing sparkling wine. Xarel-lo gives the body and structure necessary to stand the test of time. Macabeo gives elegance, finesse and the delicate bitter notes with aromas of sweet white fruit. Parellada completes the blend with a light refreshing citric acidity.

TASTING NOTES

A pale hue with golden and greenish nuances, forming a delicate rosary of fine bubbles with a homogeneous crown. On the nose, the first aromas of undergrowth appear; notes of citrus fruit and hints of bay leaf with an orange caramel finish. On the palate, there is a fine acidity with soft bubbles. It is round and elegant, showing velvety memories with notes of sweet fruit, providing a slight taste of raw almonds at the end.

It is a cava suitable to accompany fatty fish, meat stews, fresh pasta, assorted mushrooms, cured sausages or escargot..
