MORE INFORMATION

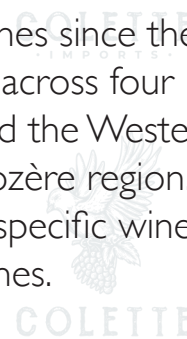

In a landscape which has been shaped by grape vines since the dawn of time, the Pays d'Oc vineyards are spread across four wine districts of Occitania: Gard, Hérault, Aude and the Western Pyrenees, as well as the six municipalities of the Lozère region. The Pays d'Oc producers are known for their varietal specific wines. Easy labels to read and ideal everyday drinking wines.

This Réserve Chardonnay has been aged in oak for a minimum of 3 months. 60% of the wine underwent malolactic fermentation which adds to the rich creamy texture of the final wine.

TASTING NOTES

A beautiful pale yellow colour. A deliciously buttery, peppery nose with aromas of white flowers. The palate is long, unctuous and reveals notes of almonds and nuts.

Enjoy with grilled fish, white meat or as an aperitif.
