WINERY INFORMATION

Kalós Wines were created to pay tribute to Calixto, the Losada family's grandfather. That is why the family decided to use his lifetime stories as a source of inspiration for the names of the wines. 59 Novias evokes the 59 girlfriends that he boasted of having during his youth. Malbec Clásico 59N brings them all together, as it is sourced from the best grapes of Maipú and Altamira.

TASTING NOTES

A wine with a deep purplish color and highly intense aromas of black fruit, morello cherries and raspberries complemented by vanilla notes from oak aging. Long, smooth and persistent in the mouth.
